

# Forney Is Made Director Of Athletics At High School; Shoemaker Head Grid Coach

George S. Forney, head football and basketball coach at Gettysburg high school since 1932 with the exception of three years spent in the U. S. Navy during World War II, is being advanced to the position of athletic director for the high school, it was announced today by Dr. L. C. Keefe, superintendent of the Gettysburg public school system.

As director of athletics he will have the management and over-all direction of the school's entire athletic program, it was explained.

**New Head Grid Coach**  
Mr. Forney will continue as head coach in basketball and track.

Howard Shoemaker, who has been assistant football coach, baseball coach and coach of junior varsity basketball, will be head football coach and will continue to coach baseball.

Ross Sachs, new addition to the high school teaching staff this year, will be assistant football coach and junior varsity basketball coach. Sachs starred in football and basketball during his student days at Gettysburg college. He was graduated there in June.

Rogers Herr will continue as the coach of junior high football and junior high basketball.

**Practice Starts**  
Dr. Keefe explained that this new setup follows the practice of schools in the Southern California that includes Gettysburg. It has been made possible here this year by the addition of Sachs to the coaching staff, he added.

The new plan will relieve coaches of being responsible for more than two sports during each school year, it was pointed out.

Mr. Forney is taking charge of the initial football practice session today in the absence of Mr. Shoemaker who is concluding summer studies at Columbia university. Both men will assume their new studies on Monday when Shoemaker returns.

# RENOVATION WORK CLOSES "YW" BUILDING

Due to a modernization program being put into effect at the YWCA, the building is closed to the public for the remainder of this week.

In the early spring a large committee composed of "YW" folk and other citizens went over the building and recommended a program of renovations to fit the "Y" for greater service to the young girls of the town, as well as for many groups which use the building as a meeting place. This program was studied by the board and approved for recommendation to the Community Chest, under which the "Y" now operates and which must approve all major repairs.

A special meeting of the board was called recently and a program of renovation for the "Y" of from \$3,000 to \$4,000 was approved, half of which the Community Chest will add to their budget in the annual drive conducted in October.

**Committee Directs Work**  
The work is under contract to I. H. Crouse and Sons, Littlestown, and is under the direction of the following committee: Mrs. Fred Pfeiffer, chairman; Mrs. Frank H. Kramer, Mrs. Rosea Armor, Mrs. Elizabeth S. Hennig, Mrs. Gertrude A. Weikert, Mrs. W. H. Dugforth, Mrs. Charles Lauver, Miss Ruth Doud, executive director, and Mrs. Guyon.

# Democratic Chairman Confined To Home

Fred G. Klunk, New Oxford pretzel manufacturer and chairman of the Democratic party in the county, was reported as somewhat improved today.

He became ill last Tuesday and has been confined to his home since that time. Nervous exhaustion brought on by overwork caused a collapse of his esophagus. Since that time he has been unable to swallow.

# VFW Post Plans Family Outing

The first annual family outing of the Gettysburg Veterans of Foreign Wars post will be held September 3 at Sheffer's park. Commander Sebastian R. Hafer announced today.

Entertainment for the members, their wives, parents and children is being arranged by a committee from the post. Details of the entertainment program will be announced later.

# Catholic Schools To Open Sept. 5

St. Francis Xavier parochial school and other Catholic schools throughout the county will open Tuesday, September 5, the day after Labor Day, it was announced today.

At the local West High street parochial school the sessions will begin at 8 a.m. September 5 with a mass at St. Francis Xavier Catholic church. The children will begin their classes in the new school constructed during the past year at St. Francis Xavier and completed during the summer.

It was explained that special permission was granted the Catholic schools at Gettysburg, McSherrystown, New Oxford, Littlestown and Hanover to open September 5 to permit the children to take part in the Adams County Sesquicentennial activities. Other Catholic schools throughout the Harrisburg diocese will open September 1.

# ORPHANAGE TO MARK BIRTHDAY ON AUGUST 24

The 40th anniversary of the Hoffman Orphanage, near Littlestown, will be observed on Thursday, August 24. A large group of friends will make their annual pilgrimage to this institution from the supporting synods of the Evangelical and Reformed church, which are the Mercersburg, Central Pennsylvania and the Potomac synods, located in central and eastern Pennsylvania, Maryland, Virginia, West Virginia and the District of Columbia.

Hot dinners will be served in the dining hall and Emmanuel cottage beginning at 11 a.m. by the ladies of Trinity Reformed church, Hanover, and the ladies of Christ and St. Luke's Reformed churches, near Littlestown.

The annual bazaar will be conducted in the school building by the Ladies Auxiliary of which Mrs. Malcolm Myers, Hanover, is the president. Articles sold at this bazaar have been contributed by the church members of the supporting synods and include such articles as aprons, braided rugs, hand-made crochets and embroidered articles and wood-work.

A refreshment stand will be conducted by St. Mary's Reformed church, Silver Run, where sandwiches, coffee, soft drinks and other light refreshments may be secured. Trinity Reformed church, Gettysburg, will conduct the ice cream stand.

A program has been arranged for the afternoon, beginning at 2 o'clock, in the grove. The superintendent, the Rev. Arthur Leeming, will be the presiding officer. Guest speaker for the occasion will be the Rev. Dr. Charles E. Schaeffer, Philadelphia, secretary emeritus of the Home Mission board of the Reformed church. Special music will be furnished by the children of the orphanage and at the close of the program the annual awards will be made to the children. In case of rain, the program will be transferred to the chapel.

# Virus Free Cherry Buds Are Available

The South Mountain Fruit Research Laboratory at Arendtsville will have available 100,000 buds of virus free Musselman strain Montmorency cherry this fall, the state department of agriculture has notified nurserymen registered with the department.

Nurserymen may obtain the bud wood free if they go to the laboratory orchard and make their own cuttings, or mail requests at \$1 a hundred sticks to Dr. Fred H. Lewis, at Arendtsville, the department announcement stated.

The college and Doctor Lewis have rendered a high service to making available this source of bud wood, according to Dr. Thomas L. Guyton, director, Bureau of Plant Industry, state Department of Agriculture.

# Littlestown Widow Sues For \$250,000

A Littlestown widow has filed suit for \$250,000 damages from The Texas company charging the firm with responsibility for the drowning death of her husband, according to news reports from New York city.

Mrs. Marion E. Beck, North Queen street, filed the suit through William A. Blank, Brooklyn attorney, as administratrix of the estate of her late husband, Howard M. Beck, 38, who was killed May 15.

Mr. Beck, a purser on the SS Arkansas, owned by the company, was drowned when he fell from the vessel into the Cooper river at Charleston, S. C. The suit charges that Mr. Beck had just come on board the vessel when he slipped on an allegedly oily part of the deck and fell overboard.

The Littlestown man is survived by two daughters, Barbara Ann, 13, and Ellen Louise, 10, in addition to his widow.

# 60 COUNTIANS CALLED FOR DRAFT EXAMS

Sixty more Adams county youths of 21 and 22 registered in the draft with Local Board No. 1, Gettysburg, will be taken to Harrisburg Saturday, September 2, for physical examinations, Miss Margaret McIlhenny, draft board clerk, announced today.

The orders directing the local board to send this number of men for physicals were received by mail this morning from the state Selective Service headquarters in Harrisburg.

The 60 men will be directed to report at the draft board office in the Kadel building, Lincoln Square, ready to leave by a Capitol Trailways bus for Harrisburg at 7 a.m. They will go first to Selective Service headquarters, Room 106, 216 Locust street, Harrisburg, and then be taken to New Cumberland for their examinations, returning to Gettysburg in the afternoon or evening.

**Two Previous Calls**  
The local draft board will meet Monday night to go over its registrants and prepare a list of men to be sent in pursuance of this call, Miss McIlhenny said. A leader for the group also will be chosen.

This is the third call received for physical examinations. Thirty-nine men were sent to Harrisburg on August 2, and nine more went on August 8, under a supplementary call.

No induction notice has been received here yet, Miss McIlhenny said.

# CHURCH FILM "LOOKS GOOD"

The motion picture, "For Good or Evil," filmed at Arendtsville, Gettysburg and Biglerville, "looks good," Henry Endress, secretary for stewardship of the United Lutheran Church in America, said today.

In a letter to Ernest D. Bushman, burgess of Arendtsville, Endress wrote: "I've seen two rough cuts of the film and it looks good. Each time the small group of technicians seeing it got a kick out of the council scene and your line about the drygoods. Everybody is going to be highly pleased."

Bushman and a number of other upper Adams countians participated in the film during the two weeks in which the camera crew from Cathedral Films in Hollywood was here.

Endress, referring to plans to have the premier of the church picture shown at South Mountain Fair grounds, said in his letter: "I'm sure this film will have to be shown twice the night of the premier; once everyone can find himself in the picture and, a second time, to actually see what the picture's all about."

Endress noted: "Seeing the film made me very happy again for God's direction in bringing us to Arendtsville for this film. What wonderful cooperation... and what a happy memory it is."

# INSTALL LADY POST OFFICERS

Installation of officers was held Thursday evening during the regular meeting of the Ira E. Lady American Legion post No. 262 of Biglerville.

Installed by the district officers were the following officers: Commander, John Stover; first vice commander, Donald Shetter; second vice commander, Samuel Halsey; adjutant, Roland Kime; finance officer, Eugene Rouzer; chaplain, Clarence Deardorff; historian, Wilmer Diehl; sergeants-at-arms, Jewell Gantz and John Breighner, and service officer, Stanton House.

Donald Shetter will serve as membership chairman, Samuel Halsey as activities chairman, and Roland Kime as publicity chairman.

District delegates include C. H. Parks, R. W. Kime and Lloyd Garretson. Alternate delegates are Paul Diehl, J. C. Gunn and J. C. Lawver. Routine business was transacted with Retiring Commander C. H. Parks in charge of the business meeting. Commander John Stover adjourned the meeting.

# TREAT ACCIDENT CASES

Judy L. Crowl, 11-year-old daughter of Mr. and Mrs. Lewis Crowl, 31 Ridge avenue, was treated at the Warner hospital for a laceration above the right eye caused when her head struck a picnic table. George L. Shriver, 13, Taneytown R. 1, was treated at the hospital for a dog bite of the right forearm.

# PAYS \$10 FINE

Enest Dorsh, Portage, Pa., charged by state police of the Gettysburg substation with speeding, paid a fine of \$10 and costs to Justice of the Peace Gerald Orndoff, New Oxford.

# Truck Driver Is Fined After Crash

Paul Rice, 38, of Fayetteville R. 1, driver of a Swift and company truck from Chambersburg which upset and burned on the Lincoln highway at Hilltown August 3 with the loss of the truck and 500 chickens, paid a fine of \$10 and costs to Justice of the Peace William L. Dentler, Cashtown, state police of the Gettysburg substation, who filed a reckless driving charge, said today.

The truck-trailer was carrying 222 crates of chickens, when the vehicle left the highway, went over an embankment, overturned, and caught fire. The crates contained 3,552 chickens. Firemen from Cashtown and Gettysburg saved all but the 500 destroyed, by removing the crates before they were reached by the fire. Rice escaped injury.

# DANCE SCENE DEPICTS CIVIL WAR'S START

One of the episodes in "Freedom's Frontiers," the historical pageant to be presented in the college stadium August 30 and 31 and September 1 and 2 during the Adams county Sesquicentennial celebration will be that titled "Adams County Men and Women Rally to the Cause."

The scene will open with an old-fashioned dance, which is being held as a farewell party for several of the men about to answer President Abraham Lincoln's call for volunteers. Almost unanimous support was given the Union side in the Civil War here, and Adams county, with a population at that time of approximately 29,000, furnished more than 3,000 men in some kind of active service.

Among those who will take part in this scene of the pageant are the following members of the Senior Extension club from various parts of the county who will take part in the dance:

Mr. and Mrs. Philip Aldinger, Harold Ecker, Catherine Sterner, Martin Crabill, Alice Plank, Myles Starnier, Luther Matthias, Lois Musselman, Frances Keller, Vincent Martin, Robert Mansberger, Fred Cash, Janet Reinecker, Teresa Murren, Roland Kime, Fred Crouse, Nadine Baker, Betty Winand, Bob Yingling, Kathryn Bucher, Mahlon Weikert, June Breighner and Edwin Stoner.

Mrs. Willis R. Doyle and Mrs. Charles T. Ziegler will appear as hostesses at the party, and George Bushman, Charles Rupp and William Swisher and others will be cast as soldiers.

# Adams 4-H Members Home From State

Eleven Adams county 4-H club members, who attended the annual 4-H club week at State College Monday through Thursday, returned to their homes Thursday night.

The 4-H boys from Adams county, accompanied by Assistant County Agent Ira Dunmire, who attended the State College gathering, were Roy Weaver, Gettysburg R. 4; Jay Crouse, Gettysburg R. 1; Kenneth Nace and Dean Nace, both of Hanover R. 3.

Girls who attended, accompanied by Miss Mary Jane Mickey, home economics representative for the county were, in addition to Miss Yingling, Sara and Jane Rice, Arendtsville; Burdell Rexroth, Mummansburg; Edith Martin, Gettysburg R. 4; Julia Hufnagel, Brushtown and Miriam Lear, York Springs.

# B. And P. Women At Annual Cornbake

Twenty-five members of the Business and Professional Women's club held their annual cornbake at the home of Miss Mary Dutera, Dutera's station, Thursday evening. Entertainment consisted of croquet and darts. The club has been assigned the responsibility of checking out and back the hundreds of costumes to be used in the Sesquicentennial pageant and Miss Virginia Wright, president, made assignments to members for their hours of duty on the various nights. The cabinet of the club arranged the cornbake.

The next event will be a supper and business meeting on September 7, with Mrs. Flyd Brown, Fairfield, as chairman.

# Victim Of Accident Is Buried Thursday

Funeral services for Sandra Fay Knoise, two-year-old daughter of Mr. and Mrs. Clair H. Knoise, Biglerville R. 1, who was fatally injured Monday evening when she was run over by her father's tractor, were held at 1:30 o'clock Thursday afternoon at the Dugan funeral home.

The Rev. Nevin R. Frantz officiated and interment was in Fairview cemetery, Arendtsville. There were no pallbearers.

# Allied Troops, Tanks, Artillery And Air Bombs Turn Two Communist Thrusts From Threatened Taegu

By RELMAN MORIN  
Tokyo, Saturday, Aug. 19 (AP) — Allied troops, tanks, artillery and air bombs turned two Red Korean thrusts — 42,000 men — away from threatened Taegu city Friday.

South of Taegu a crack Red Korean Division took what an American general called a "hell of a licking" at the hands of U. S. Marines and Infantrymen.

The city itself was turned into a steel-rimmed fortress by an Allied evacuation order sending more than a half million civilians trekking away as refugees.

The South Korean government also was sent away to establish its new refugee capital somewhere.

The war-swollen populace was removed mainly so it would not get underfoot in military operations — and to reduce the possibility of uprisings by infiltrated Communists among the refugees.

**Blazing Counter-Attack**  
A thrust by 30,000 North Koreans was stopped 12 miles north of Taegu by South Koreans.

Then American and South Korean troops lunged at the big Red force by Friday night with a blazing counter-attack.

At Changnyong, where 12,000 North Koreans had bulged eastward on the Allied bank of the Nakdong river 23 miles southwest of Taegu, American Marines and doughboys whipped the Communists in a bitter battle. Many Reds retreated back across the river, abandoning their weapons in panic.

Maj. Gen. John H. Church, commanding the joint marine-infantry attack at Changnyong, was jubilant over what his troops had done to the Reds.

**Stall 30,000 Reds**  
Two South Korean Divisions stalled the 30,000 Communists north of mountain-walled Taegu Friday morning. One of them, the South Korean First Infantry, pounced on the Reds in a counter-attack immediately. Friday afternoon the U. S. 27th Regiment piled into the battle.

The other South Korean Division on the same front last contact with the Reds after helping to stop them. Allied headquarters said the Red force may have turned back north to escape through steep hills under fire.

General MacArthur's Tokyo headquarters, in its first early-morning summary in four days, said the South Korean First Division had regained half to all the ground it lost north of Taegu Thursday. (This would be one and one-half to three miles).

The summary said the enemy in the Changnyong bridgehead southwest of Taegu was being pushed back steadily by both the First Marine Brigade and the U.S. 24th Infantry Division.

**Red Division Hard Hit**  
It explained the Marines, overcoming extremely stubborn resistance, turned the enemy's southern flank into the path of the 24th Division. The 24th in turn was now heavily engaged with these Reds.

General Church said the Marine-infantry attackers in his sector may have ended the North Korean Fourth Division's fighting days.

"I think everything has gone very well," said the general. "He (the enemy) certainly has taken a hell of a licking. That's certain. I don't think that (Red Fourth) division will do much fighting for a while. What I would like to do is destroy that division entirely."

# TO PLAN MOOSE'S PART IN SESQUI

Ralph Johnson and Donald McSherry were named as a committee to arrange for the lodge's participation in the Sesquicentennial parade September 2 at a regular meeting of the local Moose lodge Thursday evening in its home on York street.

Arrangements have been completed for the Hagerstown Moose drum corps to participate with the local lodge in the parade. Johnson and McSherry will have charge of the float to be entered by the order.

Howard Goldman and Russell Mummert, the delegates from the lodge to the district meeting at York reported on that session.

Plans for delegates to attend the dedication of the new "House of God" at Mooseheart, Ill., and the national Moose convention at Chicago were outlined. Governor and Mrs. Stephen C. Smith plan to leave Sunday by plane for Chicago while Mrs. Marcella Harpster, senior regent of the Women of the Moose; Mrs. Ruth Tate, graduate regent and Moose secretary, and Mrs. Charles Lauver will leave Sunday by train from Harrisburg for Chicago.

The next meeting of the Moose will be held September 7.

# FIREMEN WILL FINISH PLANS FOR CONVENTION

Final arrangements for the 28th annual convention of the Adams County Firemen's Association, to be held Labor Day at Cashtown, will be completed Monday evening at a meeting of the committees for the event to be held at the Cashtown fire hall.

Bruce Wetzel, president of the Cashtown Fire company, said that the parade committee, which has sent invitations to all Adams county fire companies as well as to companies in surrounding counties, will report at that time. At the same time all other committees which have completed much of their work so far will also report.

President Wetzel noted that "the committees already announced for the festival and convention are but the staff for the affair. We need the help of everyone who can assist with the various activities to be held in connection with the convention."

"Those who can aid are asked to contact any member of the committees already established and volunteer their services. Judging by the past cooperation of the residents of Cashtown and vicinity, the members of the fire company believe that many will come forth to offer their aid in whatever capacity they may be needed."

Wetzel pointed out that the affair at Cashtown this year in connection with the firemen's convention will probably be the largest in years because the activities represent part of the Sesquicentennial program being held in connection with the 150th anniversary of the founding of the county.

Plans for a public shooting match September 16 were outlined Thursday evening at a meeting of the Gettysburg Sportsmen's association held at the organization's lodge on Wainwright avenue.

Final details of the shoot will be worked out at a meeting scheduled for next Thursday evening at the sportsmen's lodge, President Ray F. Culp said.

Members of the organization were asked to go to the lodge early next Thursday evening in order to work on the lawns and firing ranges before the session.

Plans for a membership drive were discussed, with all members urged to secure members. Those interested in joining the association who are not contacted by members are asked to be present for the meeting next Thursday evening at 8 o'clock.

**Gypsy's Treatment Costs Osteopath \$6**  
Dr. Joseph Eshelman, East Berlin osteopath, found that the hand is far quicker than the eye when he treated a patient recently.

A group of gypsies residing near the Adams county fair grounds brought one of their youngsters to be treated for an injury to his shoulder bone.

When the doctor had completed his work on the patient and the gypsies had departed he found that someone else had also been busy at work.

Six dollars had been in the doctor's pocket at the beginning of the treatment—at the end the money was gone.

# College Graduate Reported Missing

2nd Lt. John Frech, Jr., formerly of Hanover, and a graduate of Gettysburg college in 1949, has been reported missing in action in Korea since July 25, according to word received by his parents in Riverdale, Calif.

A graduate of Hanover high school in 1942, he resided in Hanover after graduating from college here before being called to active duty with the army. He was in Korea eight days when the word was sent that he was missing in action. He is a member of the Alpha Tau Omega fraternity.

**SENT TO TEXAS**  
Pvt. John David Plank, 19, son of E. D. Plank, Gettysburg, has reported to Lackland AFB, Texas, the "Gateway to the Air Force," to begin the AF basic airman indoctrination course.

The announcement today said the organization would give a concert on Patriots' Day, August 31, during the afternoon. Details as to time or place have not been announced.

**PROCESSING OF TOMATOES AND APPLES BEGINS**  
A surprising volume of early apples was in evidence during the first day of operations at the C. H. Musselman plant at Inwood, W. Va., while a good supply of tomatoes was brought to the Biglerville plant.

Officials of the C. H. Musselman company noted that the tomatoes brought into Biglerville are of good quality and added that the price of \$34 a ton for U.S. Grade No. 1 promises a good cash crop for local growers who were at first troubled by the cold and damp weather which delayed some plantings.

Cool weather is slowing tomato picking, Musselman officials said, but added that a day or two of warm weather will see the harvest in full swing. The peak of the tomato season is expected around Labor Day, as usual, but deliveries will continue up until October, according to present expectations.

## TRUMAN, WHERRY IN ORAL DUEL

Washington, Aug. 18 (AP)—An exchange of sharp words between President Truman and Senator Wherry (R-Neb.)—both used the expression "contemptible"—piled more fuel today on the political fire blazing in Congress over the administration's foreign policies.

Mr. Truman took sharp issue at yesterday's White House news conference with a Senate statement by Wherry, the Republican floor leader, that the blood of Americans dying in Korea is on the shoulders of Secretary of State Acheson.

Inviting reporters to quote him directly, an unusual procedure, the president said: "That is a contemptible statement and beneath comment."

Two hours later Wherry fired back that the President's "failure to remove Acheson, after repudiating his stupid foreign policies, is contemptible."

"It was Acheson's consistent appeasement and coddling of Russia that paved the way for the Moscow-directed Communists to overrun China and for the Moscow-directed North Koreans to spring upon the Republic of South Korea," the Nebraska senator declared in a statement. He added: "In Korea we are now reaping the whirlwind of Acheson's blunders and the President seems to be so confused and perplexed by the flood of events that he is blind to the devious paths down which Acheson has advised him. Secretary Acheson has blundered the United States into war in Korea. What is worse, he may have blundered us into war in other parts of the world."

## KNOUSE FOODS

(Continued from Page 1)  
About This Week, Good Housekeeping Progressive Grocer, Chain Store Age, Super Market Merchandising, leading newspapers and subsequent issues of Life.

Closely watched by others in the industry since it features the only complete line of apple products to be advertised on a national basis, Knouse's activity may set the pattern for future programs for the entire industry. Their 1950 plan is based on two surveys. The first, was conducted by Knouse Sales Manager R. E. Arnold who spent more than six months touring the country getting on-the-spot observations of the major market areas and appointing brokers in these markets. The second was completed by the Hoyt organization relative to the national sales and marketing future as well as the operations of the apple processing industry.

Closely allied to the "Festival" advertising will be an intensive program of sales promotion and public relations. A complete kit of free sales aids has been made available to dealers for their individual store sales promotion. Included in the kit are large green and red banners, smaller pennants, four-color reproductions, shelf edging, "Guaranteed by Goodhousekeeping" posters and other items.

Although the advertising will feature canned Lucky Leaf sliced apples for pies and other desserts, other Knouse products—apple sauce, apple butter, apple juice, vinegar, jellies, peaches, cherries and tomato juice—also will be included.

## RENOVATION

(Continued from Page 1)  
E. Buehler, board president.

The first floor hall, living room and dining room are being redecorated. The kitchen wiring is being replaced and a ventilating fan placed there. On the second floor the partition has been removed between the two rooms in the front, making one large meeting room similar to the living room downstairs. Two bedrooms in the back have been converted into a large game room and the powder room and hall are being redecorated.

This work, which was started early this month, has been going along rapidly and is expected to be completed in time to accommodate the fall program of the "Y". The decorations have been planned to complement the old colonial building which, originally the home of the Danner family, was bequeathed by Mrs. Irene Danner Reinwald more than 25 years ago to the community for a YWCA and has been put to extensive community use.

## Special Events For Carnival At Delone

The Delone Catholic high school Athletic association's carnival on the school athletic field at McSherrytown next week will have special entertainment each evening.

The Delone Catholic high school band will play Monday evening and again Saturday evening. The Hanover Elks chorus will sing Tuesday evening. The Nevinaires will entertain Wednesday evening and the Littlestown Men's chorus will sing Thursday evening. Friday evening's entertainment will be provided by the Buckboard Ramblers, radio performers.

Proceeds of the carnival will be used to support the school's athletic program.

Members of the various Catholic parishes in the county will assist in the carnival, it was announced, either by donations or by taking part in committee activity.

## Japanese Beetles Attack Woman

Mrs. D. L. Norman, Gettysburg R. 3, underwent a frightening experience recently when she was attacked by a swarm of Japanese beetles.

The county woman had just dressed to go to town and walked into the yard at her home when hundreds of the beetles settled on her, crawling about her dress, face and arms.

With the aid of two of her children, Peggy, aged 13, and Patty, aged 8, Mrs. Norman was able to beat off the beetles after a time and retire to her home.

It is believed that a cologne which she had used a few moments before leaving the house attracted the beetles.

## Hold Iron Springs Woman For Fraud

Mrs. Lulu Thompson Sell, Iron Springs, was held for court by Justice of the Peace John H. Basehore this morning following an adjourned hearing on a charge that Mrs. Sell obtained \$856.10 in public assistance through misrepresentations. Bail was fixed at \$1,000.

The charge, filed by William R. Sunday, a representative of the DPA, Harrisburg, alleged that the money was obtained by Mrs. Sell between April 7, 1949 and March 3, 1950 for herself and a son that she represented as attending school. The complaint claimed that the son had been employed and was not in school.

## Dilworth Being Sued For Libel

Philadelphia, Aug. 18 (AP)—A Philadelphia city councilman has brought a \$20,000 libel suit against Richardson Dilworth, Democratic candidate for governor. The suit against Dilworth, who also is Philadelphia city treasurer, was filed yesterday by James G. Clark, a Republican.

Clark charged Dilworth with "false, scandalous, malicious and defamatory" remarks in a campaign speech. He said "the charges are untrue in each and every respect."

Dilworth, campaigning in Knox, Pa., replied that "the charges made against Mr. Clark were true and I'll be glad to prove them at any time."

**LAST RITES HELD**  
Funeral services were held from St. Anthony's Catholic church Thursday morning for Mrs. Walter Willhite, 52, who died at her home, Thurmont R. D., Monday afternoon.

The Rev. Father Stanley Scarff officiated and interment was made in the church cemetery. The pallbearers were John Franklin, James Wilf, Joseph Geiselman, John Bentz, Felix Hemler and Cecil Krietz, Jr.

## SENATE GROUP OK'S TAX BILL

Washington, Aug. 18 (AP)—President Truman's "first installment" \$5,000,000,000 tax-boosting bill stands a good chance to be ready for his signature by September 1.

In an unusual bi-partisan action, the Senate Finance committee yesterday unanimously approved the measure that will bring the nation's tax system near a wartime footing.

The legislation boosts by about \$3,000,000,000 the annual income taxes of over 50,000,000 individuals, and increases corporation levies by \$1,500,000,000 a year. Other millions will be added to federal revenues by plugging tax law loopholes, and by new 10 per cent manufacturers' excises on television sets and on home freezers. Slot machines will come in for higher taxes, too.

Only a Senate floor battle over a \$4,000,000,000 excess profits tax is likely to delay passage.

Senator O'Mahoney (D-Wyo.) said he will offer the excess profits amendment as a curb on profiteering, when the bill comes up in the Senate, probably late next week.

## DEATH

### BENNETT RITES HELD

Funeral services were held today at 2 p.m. at the Pittenturf funeral home, York Springs, for Amos T. Bennett, York Springs, who passed away Tuesday.

The Rev. Elmer Nunemaker, pastor of the York Springs Methodist church officiated, and interment was in Sunnyside cemetery, York Springs.

The pallbearers were Charles King, Glenn Wonders, E. S. Guise, Andrew Martin, F. E. Coulson and Frank McCauslin.

## Token Strikes Are Scheduled

Washington, Aug. 18 (AP)—In the face of continual White House probing for a solution to the wage-hour dispute of 300,000 railway trainmen and conductors, rail strikes—some of them unauthorized—took a serious turn today.

Union leaders were expected to be summoned to the White House by President Truman's assistant, John R. Steelman, for another of a steady round of conferences.

In a strategic move to impress their demands without creating a national emergency, the Brotherhood of Railroad Trainmen and Order of Railway Conductors scheduled five-day token strikes on two key steel and coal carrying lines, beginning next Tuesday at 6 a.m.

Union and company officials agreed a shutdown of the two lines would seriously hamper movement of steel, coal and iron ore.

Representatives of the railroads met with Steelman for an hour and a half last night, but they said the contract issues underlying the dispute were not discussed.

The workers want a 40-hour work week for men in yard service without loss in their present pay for a 48-hour week. They demand wage adjustments for those in the general train service to narrow the gap between their earnings and those of engineers and firemen.

## Quake Damage Is Heavy In India

Calcutta, India, Aug. 18 (AP)—At least 11 persons perished and hundreds of acres of crops were laid waste by Tuesday's earthquake in the province of Assam. Damage was estimated at \$2,000,000.

Authorities said the fact that the northeastern province is sparsely settled—with most dwellings flimsy structures—kept the death toll from being far higher. They added, however, that communications still are down and casualty figures are not complete.

### HURRICANE DANGER GONE

Miami, Fla., Aug. 18 (AP)—Floridians breathed easier today as a severe hurricane changed its course and lumbered northward in the Atlantic. No part of Florida was on the alert. Danger to any portion of the U.S. mainland lessened hourly. At 4:45 a.m. (EST) today the big, whirling mass located by radar plane at about 350 miles east of Melbourne, Fla., moving north-northwesterly about 10 to 12 miles per hour.

Washington, Aug. 18 (AP)—A bill providing payment of \$3,000 to Leslie A. Fry of Dallastown, Pa., who was burned in an army explosion in 1943, was signed by President Truman Wednesday. Fry had stripped to the waist for a medical examination when an enlisted man struck a match to an alcohol burner in which cockroaches were being destroyed. Flaming alcohol was thrown upon Fry.

**UNEMPLOYMENT DROPS**  
Harrisburg, Aug. 18 (AP)—Pennsylvania's unemployment rolls during the past week were at their lowest point since December, 1948. The State Bureau of Employment and Unemployment Compensation said yesterday that a statewide total of 90,826 claims was filed during the week. This number represents an eight per cent drop from the preceding week and a 60 per cent decline from the same week a year before.

## Upper Communities

Phone Biglerville 21-R-14

The news columns of The Gettysburg Times are open to all sources. Those residing in the Upper Communities are requested to telephone their news to Roland Kime, Biglerville Exchange 21-R-14 or phone direct to The Times, Gettysburg 640.

A special meeting of the Bendersville Community Fire company will be held Monday evening at 8 o'clock in the Community hall.

A display of clothing worn back through the years and an old spinning wheel have been placed on exhibit in a window of Hutton's store in Bendersville in observance of the Sesquicentennial celebration.

Rev. M. E. Smith will preach in the St. James Lutheran church, Wenksville, at the 10 o'clock service on Sunday morning.

Mr. and Mrs. Sanford Hoy and daughter, Marcia; Mr. and Mrs. Roy Wentz and Mr. and Mrs. Arthur Hutchison, all from Gettysburg, and Mr. and Mrs. Frank Kemper and daughter, Darlene, of Heidlersburg, returned to their homes on Sunday after spending 10 days at Westport, Ontario, Canada.

## Pilot Recovering; Passenger Dead

Carlisle, Pa., Aug. 18 (AP)—Donald Covington, Jr., of Towson, Md., injured in an airplane crash near here yesterday, was reported in improved but still serious condition at Carlisle hospital early today.

The plane crash on the side of a mountain took the life of Jacob Robison, of Baltimore.

Covington was the pilot of the light single engine plane, in which he and Robison were flying from Baltimore to Buffalo, N. Y., on business.

Physicians said Covington suffered first and second degree burns over four-fifths of his body and multiple fractures.

## Sports Roundup

By GAYLE TALBOT

New York, Aug. 18 (AP)—Now that the Phillies are starting to run off and hide from the rest of the National league, what club are they going to meet in the world series?

The hunch here is Cleveland, as it was "way back last spring when Lou Boudreau, relaxing in the clubhouse at Tucson, said his athletes had their feet back on the ground and the swelling removed from their heads and were ready to play baseball again.

He pointed out that his Indians still were the "solid" club in the American league, and that was before he knew that Luke Easter was going to be his first baseman and that Flip Rosen was going to bid for rookie-of-the-year laurels at third.

**Mostly Diamond Vets**  
So there is no reason to weaken on the tribe now, even if they are finding it difficult to carve those last few games off Detroit's lead. Mostly they are veteran stars, especially their pitchers, while the Tigers' line-up is thickly sprinkled with youngsters who have not gone through the crucible of a hot, heart-stopping pennant drive.

That could well prove the payoff when the two clubs meet in the final two games Sept. 30 and Oct. 1 at Detroit. With what has been happening the past few years, it is only sensible to assume that the flag still will be up for grabs at that stage.

Most of the Indians went through such a dogfight two seasons ago when they were forced to lick the Boston Red Sox in a play-off game at Fenway park. Such experience can be a help in the clutch, other talents being approximately equal.

**Not Belittling Tigers**  
Of the current Tigers, only the veteran pitchers Hal Newhouser and Dizzy Trout were around when the club won the '45 series from the Chicago Cubs. Another hurler, Virgil Trucks, was in the '45 playoffs, but he has been out practically all year with an ailing arm.

There is no intent or desire here to belittle the Tigers and the great race they are making. Red Rolfe, the old Yankee, grows in stature day by day as he inspires his youngsters to heroic feats and gets championship pitching from an old-timer such as Trout.

But if the customers are to be given the winner at this point so they can order their series tickets ahead of the rush, it is necessary to explain just how and why the choice is made. In short, the feeling is that the Indians have more of what it takes to win out in a close one.

Say for the sake of argument that they come down to the final day at Briggs stadium and it is the Tigers' brilliant young Art Houtteman against the seasoned ace of the Cleveland staff, Bob Lemon. We'll have to take Lemon, with perhaps a couple of home runs thrown in by Rosen and catcher Jim Hegan.

## Allied Troops

(Continued from Page 1)

Koreans was reported by Sgt. Benjamin Schofield of Des Moines. He watched their flight from a high ridge overlooking the river. Schofield said: "There were hundreds of gooks running helter skelter in retreat. They're trying to get across the river anyway they can. They aren't carrying weapons. They left them behind."

### A Day Of Victories

A spokesman for the U. S. 24th Infantry division said the Americans had moved up three miles in 36 hours of fighting and now command all the strategic ground in the Naktong bend six miles below Changnyong.

Marines on the southern crest and doughboys on the northern now occupy both ends of a sausage-shaped hill commanding the river-crossing bridgehead set up 13 days ago by 12,000 Reds.

The victory southwest of Taegu was the sharpest in a day of winning for allied forces all along the line.

In a counterattack led by tanks American and South Korean troops lashed out at three Red divisions that were stopped on their move toward Taegu from the north.

## Admits Guilt On Hit-Run Charge

State police of the Gettysburg substation who investigated an automobile accident at 11:30 o'clock Saturday night on Mt. Newman, in which the car of Anthony Tortora, 26, of Neptune, N. J., was struck by a hit and run driver, said today that Bruce Kimple, Orrtanna R. 1, had signed a plea of guilty to the hit-run charge and had been held for court by Justice of the Peace Warren Dunn, Biglerville. He furnished \$500 bail.

Police said Kimple admitted that his car sideswiped Tortora's automobile and failed to stop.

Damage to Tortora's car was estimated at \$400. No one was injured.

## Ward Hocks Move To Coral Gables

Mr. and Mrs. Ward Houck, Biglerville, left Wednesday for Coral Gables, Fla., where they will make their future home.

It was understood today that Mrs. Houck, the former Miss Mildred Adams, county home economics extension representative, will accept a post as teacher of home economics in a Florida school and that Mr. Houck will accept a post as a salesman for a concern there.

Mr. and Mrs. John Leeti, Aspers, moved into the apartment vacated by the Houcks in Biglerville.

## Gettysburg High Warriors Commence Training Today

Gettysburg High School Coach George S. Forney today began drill for a football season scheduled to begin September 16 with but three members of the top senior group from last year back for practice.

The coach had hoped for five seniors to plug various vacancies in the squad. He got back Harold Cleveland, a tackle, last year; Eugene Davis, a guard, and Richard Miller, a back. All good men but just three-fifths of the expected return. The other two were Charles Ford, Jr., who fractured an ankle Wednesday night while playing baseball, and therefore will not be in the lineup for some time to come, if ever, and Franklin Groening, who moved to York.

Among the junior lettermen who will be called upon to do more this year than had been expected are Clyde Cleveland, who was an all-conference guard last year, and a brother of Harold Cleveland; Richard Harriel, who did a good job at end last year, and Paul Staley, who was good as a defensive tackle last year and who probably will have to take over the offensive job as well this season.

### Meet Westminster

Just to make the chore of the Gettysburg high school Warriors more difficult — the Westminster team they will meet in the opener will be the same squad that has played together for the past three years and they meet in their second game, September 22, the Delone High Squires who have not been defeated since their opening game in 1948.

Forty-three candidates for the Warrior squad passed physical examinations for the team on Tuesday, and some additional candidates are expected this afternoon. The team will practice on the local field until August 28 when they will go to Camp Nawakwa for the annual fall intensive drilling.

### Managers Named

Helping in the management of the team will be Richard Guise, senior manager, who did a bang-up job last year; Jack Bream, son of Gettysburg college coach Hen Bream, as junior manager, and Dewey Collins, sophomore manager.

While most of the 1950 edition of the Gettysburg high Warriors will be newcomers to the line-up who will have to work hard to fill the shoes of such stalwarts as Ken Biesacker, Bobby Sachs, Paul Miller, Charley Kitzmiller and Leo Kuhn, the situation does show much promise. Coach Forney noted today.

### Senior Prospects

Most of the candidates have had some experience and a good many are "diamonds in the rough" who, if all things go well, will prove

capable, or better, gridiron performers.

Among the seniors who passed physicals for the squad are Richard Clark, who should prove valuable; Dale Hoffman, who was reserve quarterback last year; Robert Sanders, an Iron Springs boy who played both backfield and line last year; Bill Singley, a big boy who has the makings of a top-ranker; and Wilbur Small, reserve center, who starred last year in the Waynesboro game.

Among the juniors who passed physicals are Stanley Altland, reserve center who should be good; Earl Carter, who has an educated toe and probably will develop into a great kicker; Tommy Culp; Johnny Eberhart, who seems like a tough competitor; Ray Goodermuth, who may prove of great worth.

Others who successfully passed the physical examination include Bill Heyser, a rough boy who also may prove of much value to the squad; James Hoke, a newcomer, who is dead game but small; Johnny Little, who also should be good; Wayne Spence, a ruggedly built lad; David Swope, a quarterback with big hands; Paul Toddes, another newcomer to football who proved quite capable on the track team; and Francis Washington, a left hander, who like most of the team members is still an unknown quantity, but seems to have a lot of stuff.

### Junior High Grads

A number of those who passed the physicals were junior high players last year. They include Johnny Beagle, son of Dr. L. D. Beagle, of Emmitsburg; Johnny Carter, a hard working young man who is quiet and fast and should prove a help to the squad; Richard Carter, brother of the all-time star at the high school, Francis "Pooney" Carter and who, given time, will probably grow into a bigger man than "Pooney" himself; Richard Dayhoff, son of a former GHS grad; William DeHaas, another guard, who is still an unknown quantity with many possibilities.

Marlin Fissel, a little fellow who seems to know his way around at quarterback; Bill Knox, a husky center; Bob Miller, who looks good despite his size; Ronald Miller, a brother of Paul, who was a great quarterback; Gerry Peters, who looks promising; Richard Ray, whose father played football for Bucknell and who is a big youngster, possibly tackle material; James Skinner, who did well at basketball and looks promising for an end post.

### Looks Promising

And then there is Paul Stultz, whom the youngsters call "Humphrey" because of his great size. He's the biggest man on the squad and may be able to find use for his

## DODGERS CLIMB INTO 2ND PLACE BY TAKING PAIR

BY JACK HAND

(Associated Press Sports Writer)

Boston and Brooklyn, the pre-season pennant picks, are down but not out today—6½ games back with about six weeks to go.

Surging at Fenway park, fourth-place Boston has a five-game winning streak going in the American league. All were scored at the expense of the tattered Philadelphia A's, 10-6 victims last night. Washington comes into Fenway tonight, followed by all the western clubs.

Brooklyn, cooling off the New York Giants yesterday in both ends of a double-header, 8-6 and 5-1, regained second place in the National league from Boston. But those idle Phillies, showing no signs of slackening their pace, threaten to romp home. The Phils open a series in New York tonight while Brooklyn entertains Boston.

### Giants Drop Two

Home runs by Gene Hermanski, Gil Hodges and Billy Cox helped Don Newcombe struggle to his 12th victory in the opener. Still the Dodgers needed a fine relief job by Preacher Roe. Roe came in on the bases loaded in the eighth and three runs home. He made Don Mueller rap into a double play, then breezed through the ninth.

Erv Palica tamed the Giants with four hits in the second game. Carl Furillo ruined New York with his 14th homer, a single and fly ball to drive in three runs. Pee Wee Reese and Sam Calderone each hit in the fifth. Calderone's smash spoiled Palica's shutout in the fifth.

Cincinnati shaded Chicago, 2-1, in the only other National league game. Kenny Raffensperger scattered six Cub hits and Connie Ryan drove in both Cincy scores with a

size; Wayne Tonsil, who is fast and quick; Randall Hill, a pudgy player who is built for football; Leo Stager, who has a great potential; Watson Wood, a little fellow, weighing about 115 pounds, whose coordination is perfect; and James Hall, another newcomer who was track manager.

With the men available, Coach Forney was ready for a forecast today. All teams scheduled are tough competition he noted. The results will depend on how the potential available works out. The main thing that will be lacking by the 1950 team will be experience. There is no substitute for experience, to which the coach agrees, but even though this year's team might not prove too successful, there is great hope for the coming year.

## College Lists Ten Mat Tilts

A wrestling schedule of 10 matches for the 1950-51 season at Gettysburg college was released today by Athletic Director C. E. Billheimer.

Gettysburg took the Middle Atlantic States championship last year and will defend its title at Lewisburg, the home of Bucknell university, this year.

Rain washed out the Pittsburgh-at-St. Louis night game. Philadelphia and Boston were not scheduled.

### Senators Nip Yanks

Detroit clung to its three-game lead over runnerup Cleveland in the American chase. New York's loss to Washington dropped the Yanks 4½ games back and only two games ahead of the Red Sox.

The Tigers stomped Chicago, 8-3, on nine hits and nine walks. Aaron Robinson and George Kell each hit his eighth homer, while Hal White held the White Sox to seven hits for his fourth win.

Cleveland had to go 12 innings to whip the stubborn St. Louis Browns, 5-4. Early Wynn's pinch single following Ray Boone's triple did the trick. St. Louis pulled a triple play in the second on Dale Mitchell's liner to Owen Friend with the bases full.

New York's Yankees, only first division club to tumble, mowed to the Senators, 2-1. After pitching no-hit ball for 6 1-3 innings, Allie Reynolds finally bowed to Sid Hudson. In addition, the Yanks lost the services of outfielder Hank Bauer, hit on the head by a throw from catcher Al Evans, trying to pick him off third.

## LITTLESTOWN GAME ENDS IN 10-INNING TIE

Littlestown defeated Taneytown 4 to 1 under the arcs of Littlestown Memorial field Thursday evening, and then the two teams battled for ten innings in a 6 to 6 deadlock that was finally called because of the borough curfew.

Three runs in the sixth gave Littlestown the opening tilt of the Mason-Dixon league doubleheader. The home team had pushed across one run in the first. Taneytown tied the game in the second and both sides remained scoreless until the Littlestown half of the sixth. Hankey held Taneytown to two hits and one run during the game.

The second game threatened to run on forever, with neither team able to break the deadlock that began in the seventh and held out through the tenth inning.

### Tie Conflict

Littlestown opened the scoring with one run in the first inning, added two more in the third, another in the fourth and two in the seventh. The two in the seventh brought about the tie. Taneytown, which had been trailing 4 to 1 going into the seventh, cut loose for five runs in that stanza to lead 6 to 4 at the beginning of the Littlestown half of the ninth.

**Will Rogers And Wiley Post Die In Plane Crash:** (Copyright 1935, by Associated Press) Seattle, Aug. 16 — Will Rogers, cowboy philosopher, actor and air travel enthusiast, and Wiley Post, who circled the earth in a plane, were killed last night when their plane crashed 15 miles south of Point Barrow in northernmost Alaska.

Post and Rogers were on an aerial vacation which Post planned would take him to Moscow. Rogers had not decided whether he would accompany him farther than Nome where Wiley planned to establish a base for his projected flight across Siberia.

**Countians Wed On Saturday:** Miss Ethel Mae Crum, daughter of Mr. and Mrs. G. W. Crum, Gardner, and Arthur Leroy Slaybaugh, son of Mr. and Mrs. Lanson Slaybaugh, Arendtsville, were married Saturday evening at Dover at the home of the Rev. D. K. Reisinger and family. The ceremony was performed by the Rev. Mary H. Reisinger.

The attendants were Miss Norma Crum and George Slaybaugh.

**Gettysburgians Home From Trip:** Mr. and Mrs. C. Paul Cessna and son, Jack, Mrs. E. Mac Beales and son, William A. Beales, returned Saturday evening from a six-weeks' motor-trip to Mexico City and the Pacific coast.

Mr. Cessna and Mr. Beales were delegates from the Gettysburg Lions' club to the annual convention of Lions' International held at Mexico City July 16 to 19, inclusive.

**Bream's Dam Dedicated:** Built to conserve water and to provide recreational activities for sportsmen, Bream's dam, located in Marsh Creek, was dedicated Friday afternoon and evening at a picnic in the grove adjoining the dam by more than 200 members of the Adams County Fish and Game association.

Speakers on the program were Dr. Harvey D. Hoover, Dr. Milton H. Valentine, Dr. W. E. Tilberg, James R. McConaghe, John C. Bream and Rev. J. B. Baker.

The association officers are F. Mark Bream, president; Senator John S. Rice, vice president; Prof. Ira Y. Baker, secretary and John S. Ogden, treasurer.

On the governing board are D. J. Porney, Moses E. Bair, Monroe Dellinger, Calvin K. Gilbert and Norman E. Tipton.

**Littlestown Girl Weds In New York:** New York, Aug. 17 — Catherine Rohrbaugh, Littlestown, and Charles Kurtz, an accountant of Philadelphia, visited the municipal marriage bureau here today and obtained a marriage license.

The ceremony took place in New York's historic Little Church Around the Corner, with the Rev. Otis L. Mason officiating.

**Miss Anne Keet Marries Dr. McGlynn In New York:** Miss Anne B. Keet, only daughter of Mr. and Mrs. Wayne M. Keet, James Gettys hotel, and Dr. Patrick John McGlynn, 31 Baltimore street, were married Tuesday afternoon in the Chelsea Presbyterian church, New York city, by Dr. Thor W. Whipple.

**Express Company To Move Local Office:** Workmen have started remodeling a room in the Western Maryland railroad company's station, that is to be occupied by the American Railway Express company about September 1.

E. C. Moser, express agent here since 1918, said the move was being made because the company wanted to be located on one of Gettysburg's main streets.

**Martin-Larson Nuptials Held:** Miss Martha J. Larson, daughter of the Rev. and Mrs. Gustaf S. Larson, of Jamestown, N. Y., and Eugene H. Martin, son of Mr. and Mrs. William B. ## Today's Talk

By GEORGE MATTHEW ADAMS

### EQUIPMENT

We are all born with a certain amount of natural equipment. It may be much or little, but the important thing is what we do with it, or the use to which we put it! Many of the great of this earth came into it with meager equipment, but they made the most of everything through skill and vision, increasing the value of that equipment.

Whittier's delightful poem, "The Barefoot Boy" gives us a picture of a boy with natural equipment that cost him nothing—his "cheek of tan" as evidence of his love of the outdoors. And there was his whistle that evidenced his happy heart, and his "turned up pantaloons" proved that he was ready for any romp. Simple equipment, but adequate for the joy that he welcomed.

Recently I visited a place in Nova Scotia which exhibited the equipment of the early Acadians. Crude indeed were those things, but they were adequate for the time, as were the early things that our forefathers introduced, and which became the foundation for all that has followed since. Light, and crude equipment often calls for courage, patience, and faith—but the rewards are worth it.

Explorers and pioneers carry as light equipment as possible. Only the essentials count. Too much baggage has often dampened a vacation jaunt! The champion golfer sticks to a minimum of clubs—but not often the beginner. He is apt to allow the salesman to sell twice as many clubs as are essential for a good game. It only takes a handful of tools to build a good house.

The intellectual equipment of Abraham Lincoln was meager but he made the most of what he had. A copy of Blackstone's commentaries was found in a barrel of trash—and from it he was inspired to take up the study of law. Many a boy, who later as a man became great, often walked miles to gain the knowledge from books that gave him mind equipment to carve out a notable and useful career.

Light equipment is best for the long journey. What wonderful equipment we have in just a handful of friends! Dependable, never failing—anchors to which to tie!

Tomorrow Mr. Adams will talk on the subject: "Talent For Appreciation."

## Just Folks

**EMPTY HOUSE**  
Wooden horse in the hall,  
Lonely as can be,  
Now the times I go to call  
None to climb my knee.  
Little feet no longer race  
Round about at play.  
Very quiet seems the place,  
Terry's gone away!

Toys that used to lie about  
Now are in a box.  
I can walk the floor without  
Stepping on his blocks.  
Little bus and truck and car  
In the corner stay.  
Lonesome, just as I, they are,  
Terry's gone away!

Only grown-up talk to hear,  
Strange it seems to be,  
Just his father sitting near  
Gossiping with me.  
"Restful to be left alone,"  
Did I hear you say?  
Dreary 'til a month has flown!  
Terry's gone away!

## EDWARD GIBBS IS SENTENCED TO DEATH IN CHAIR

Lancaster, Pa., Aug. 18 (P)—Death in the electric chair was ordered today for Edward L. Gibbs, 25-year-old ex-GI and college student convicted of murder in the slaying of a pretty girl secretary at the college.

In a proceeding that took only 55 seconds Judge Joseph B. Wissler read the death sentence, the date to be "at such time as the governor of the Commonwealth shall fix."

Then the judge spoke solemnly: "And may the Lord have mercy on your soul."

The defendant stood quietly as the expected sentence was announced. He said nothing.

Gibbs, a Franklin and Marshall college senior from Pittman, N. J., was convicted of murder in the slaying last January 10 of 21-year-old Marian Louise Baker.

**Will Appeal Case**  
W. Hensel Brown, Gibbs' attorney, already has announced he will appeal the case to the state Supreme court.

The Lancaster county court room was crowded. Young Gibbs, dressed in a light summer suit and wearing a new brown straw summer hat, was handcuffed to a deputy sheriff who brought him to the court room. He was returned to his prison cell immediately after the sentencing.

Gibbs, who is married and the son of a prominent New Jersey family, maintained throughout his four-day trial last March that he killed the pretty college secretary "on an impulse" after they drove to a lonely spot several miles from the college campus.

Included Miss Mary Elizabeth McIlhenny, Miss Kathryn Gitt, Donald Sheely, Charles Shuman and John Larson.

**Resigns Position:** Miss Hettie Linn, of Cashtown, has tendered her resignation as house secretary of the Y. W. C. A. The resignation becomes effective September 1.

## York County Girl Is "Potato" Queen

Coudersport, Pa., Aug. 18 (P)—June Keener, of Fawn Grove, York county, reigned here as Pennsylvania's 1950 "Potato Blossom" queen.

Chosen from a field of 18 pretty contestants, Miss Keener, a 19-year-old West Chester State teachers college sophomore, was crowned yesterday at nearby "Potato City" by Miles Horst, state secretary of agriculture.

Although crowning of the queen was the highlight of the Pennsylvania potato growers' annual field day, the program also included the dedication of a new \$200,000 lodge built by the association.

Hugh C. McPherson, Bridgeton, York county, association president, presided over the ceremony.

## Official Dies In Three-Story Fall

Pittsburgh, Aug. 18 (P)—Forrest A. Marsh, 45, National Tube company official, plunged to death last night from the sixth floor of Hotel William Penn. The body was found on the third floor roof of the hotel by a guest, Otto C. Benstrup, of Toledo, Ohio.

Police said Marsh, who was assistant to the National Tube vice president in charge of sales, apparently fell from a window. He had been visiting with two friends from the southwest where he had been located for some time.

His companions, Louis Sommers and M. W. Peters, both of Houston, Texas, told police they left the room to get something to eat and that Marsh fell while they were gone.

## SECOND BODY IS FOUND AT CABIN

Penns Grove, N. J., Aug. 18 (P)—Another body has turned up in the gruesome mystery of the burned-out cabin and the bloody rowboat.

A search party found it yesterday in Salem Creek, not far from the burned cabin in which the charred lower half of another body was found the day before. It had been identified tentatively as Raymond Livesay, 55-year-old Penns Grove contractor and owner of the cabin.

Police say that if the body really is Livesay's, the remains in the cabin may have been Michael Derrow, 36, a carpenter in Livesay's employ. The two men have been missing since they went to the cabin Tuesday for a fishing trip.

An autopsy today will determine whether drowning caused the death of the body found in the creek.

Other factors puzzling state and county sleuths are a blood-spattered rowboat found near the cabin. It contained part of a human skull and a discharged shotgun.

A variety of unsolved questions make the possibilities almost boundless, authorities said. Among them are the causes and the order of the deaths, whether a suicide was involved, and whether one victim killed the other.

New pin-on buttons are on the market, in plain and jeweled versions, which need no sewing.

## MANY PRIZES AWARDED AT COUNTY FAIR

Herman Hoke, Spring Grove, Thursday won 100 blue ribbons and 98 red ribbons in the poultry division of the Adams County fair at Abbotstown.

Each of the blue ribbons paid \$1.50 for first prize winnings and the second place awards paid \$1 each. He won \$248 with his chickens.

Judge of the fair poultry exhibits was Jacob Sell, McKnightstown, who in his younger days made the circuit of Pennsylvania fairs with Hoke showing birds they raised. Today Sell is retired from the poultry business and limits his activities to raising cocker spaniels.

Charles Leader, a music teacher and band leader from Doylestown, Bucks county, who raises the Japanese line of chickens as a hobby, won 46 first prizes and the same number of second places with his 92 entries.

Father and Son Team. Tilden and Roger James, a father and son poultry team from Hanover, R. D. Adams county, were tied for third place in the number of ribbons won. The father, Tilden, entered 87 birds in the bantam class and took 40 first places and 40 seconds. Roger entered 86 bantams and he, too, took 40 firsts and 40 seconds.

Charles Hershey, Dover, York county, with 50 entries in the heavy chicken class, won 26 blue ribbons and 21 red.

Another winner in the poultry division was John Myers, Thomasville, York county, who took four blue ribbons and four seconds for showing eight pairs of geese.

Handy With Needle. An unusual winner in the home economics division was John Glue, Thomasville, who won a blue ribbon for a hooked rug he exhibited.

Mrs. Rose Murren, Hanover R. 4, won two first prizes for green peppers and shelled beans. Mrs. Murren also exhibited the largest ear of corn shown at the fair. Mrs. Percy Mummert took a first prize for wheat she grew on her farm near Thomasville, and Mrs. Paul Bowman, Hanover, took first prizes for potatoes and clover hay she grew as well as blue ribbons for canned string beans and peaches.

Other results of judging at the Adams County fair (all first prizes): Fruits and vegetables—Red Peppers—Mrs. Paul Shultz, Abbotstown; beets—Mrs. Otis Livingston, Abbotstown; carrots—Mrs. Ray Smith, New Oxford; onions, squash, sweet corn—Mrs. Ben Reynolds, Thomasville; cabbage—Mrs. Anna Little, New Oxford; string beans—Mrs. Ernie Stauble, New Oxford; pumpkins—Miss Rosa Lee Gorman, Shippensburg; peas—Mrs. Melvin Eyster, Thomasville.

Eggs—Brown—Mrs. Harry Bollinger, New Oxford White—First, Percy Mummert, Thomasville; second, Ray Smith, New Oxford.

75 CITIZENS  
SIGN CHARTER  
FOR C.C. UNIT

Seventy-five citizens of Emmitsburg signed the charter which was drawn up and presented by Thomas Frailey at the regular meeting on Tuesday evening of the Chamber of Commerce. Arthur Elder presided in the absence of B. J. Eckenrode, president.

Plans were discussed for Boosters Day to be staged on Friday, November 10, and John M. Roddy, Jr., was appointed chairman of the committee. The merchants of the community will put some of their merchandise at a special price for that day, and the main event of the evening will be a square dance with Ralph McDonnell as chairman of the committee for decorations for the dance.

Mrs. Robert Daugherty, chairman of the special events committee, announced plans for a parade on Saturday, Armistice Day. Jack Humerick was appointed chairman of the committee for the parade.

"Rainbow Lake" will be dedicated with Maryland state officials present. When this project is completed, the reservoir will have a capacity of 30,000,000 gallons. A street fair is being arranged when contests, games, bingos, amusements, refreshments, and various other forms of recreation are to be held.

A survey is to be made on the number of people in Emmitsburg and vicinity interested in steady employment. There is work available in the community which offers paid vacations and hospitalization insurance. Persons interested should contact the Chamber of Commerce or members of the committee in charge of the project, Dr. D. L. Beglie, George Giegling or Thomas Frailey.

## RADIO

New York, Aug. 18 (AP)—Woman is not a creature of set habits. Just ask Wilbur Stark, radio and television producer. He believes that daytime video programs are already causing many women to change their household habits.

"Take the Kathy Norris T-V show for example," says Stark. "It's a shopping guide program at 10 in the morning, five times a week over NBC. Kathy's fan mail reveals that women will do their ironing in the living room, make the beds later in the day or go shopping after the program. They re-arrange their schedule so as not to miss the show."

On the air tonight (Friday) NBC: 7, One Man's Family; 8:30, We, the People; 9, Big Parade; 10, Wanted; 10:30, Sports Newsreel with Bill Stern.

CBS—7, Garry Moore Show; 8, Adventures of Philip Marlowe; 9, Songs for Sale; 10:30, Capitol Clock Room.

Pennsylvania Week  
Events Are Planned

Harrisburg, Aug. 18 (AP)—Pennsylvania business and industrial leaders met here today to plan "Business-Education Day" programs to be held in connection with Pennsylvania Week, October 16-22.

The business-education day observances will consist of tours of local factories designed to give teachers and administrators an intimate knowledge of operations of home-town industries.

"These will not be mere sight-seeing tours but will introduce the teachers to the internal workings and policies of the company," explained Leonard P. Fox, executive director of the State Chamber of Commerce. The chamber is helping to prepare the business-education day programs.

Fox said plans are currently being mapped for B-E day programs in several communities, including York, Williamsport, Corry and Stroudsburg.

WHITE HOUSE  
GETS SOCIAL  
SECURITY BILL

Washington, Aug. 18 (AP)—Backed heavily in Congress, the Social Security bill is finally ready for presidential action.

The Senate checked the measure to the White House late yesterday by a voice vote of approval during which no dissents were heard.

The House previously had adopted 374 to 1 the compromise measure, worked out in a Senate-House conference.

While the bill falls well short of what President Truman had recommended, and contains features he regards as objectionable, it was expected he would sign it.

## Veto Not Expected

One administration lieutenant, who asked not to be named, said a veto would add greatly to Congress' troubles at a time when lawmakers are attempting to wind up their work by early next month. He said he didn't expect a veto.

Chairman George (D-Ga.) of the Senate Finance committee called the bill perhaps the most important to come before Congress during the two years of the 81st session.

The measure also got strong backing from Senator Millikin (R-Colo.), the ranking Republican member of the Finance committee.

The bill would extend coverage to 10,000,000 additional persons, bringing to about 45,000,000 the total under the Social Security program. Mr. Truman had recommended extension to 20,000,000.

Social Security payroll taxes would be more than tripled over the next 20 years, or from \$2,500,000,000 annually to about \$7,800,000,000 in 1970.

The expanded benefits are scheduled to start within the next 45 days when the 3,000,000 persons now receiving benefits because of retirement or as survivors of insured persons will get an average of \$46 a month, instead of the present \$26.

## Baltimore Livestock

CATTLE—Total salable receipts exceeded the number placed on sale a week ago, but the week to date total was about 21 per cent below the amount counted in the corresponding week a year ago. Fresh arrivals were the largest for a Thursday in several weeks.

A breakdown of the cattle ran showed about 16 loads of slaughter steers, about three loads of stocker and feeder steers, and the balance cows and bulls. Heifer receipts light. Load of dry-fed steer yearlings also shown, but bulk slaughter receipts consisted of medium and good well-wetted and grain-fed-on-grass kinds.

Trading in slaughter steers declined on slow early but became moderately active on later rounds. Prices mostly steady with Monday's decline. Short load of choice 1 1/2-pound fed steer yearlings day's top, \$32.25. Bulk and main consist of run, largely medium and good 990-1,240 pound grain-on-grass, slaughter, steers, \$27—28.25, with a 50-head string 1,184-1,236 pounds, \$28.10. Few lots mostly medium two-way steers, \$25—35.50. Out-of-town killers and country accounts most aggressive.

Common and medium grade predominated in heifer division and prices steady with Monday. Small lots of common and medium, \$22—25.50; a full load 700 pounds, \$25.25.

Trading for cows moderately active and prices steady to strong, spots 25 cents above some late Monday. Good cows, \$21.50—22, while bulk of supply mainly common and medium, \$18.50—21.50. Canners and cutters, \$15—18.50, with very little below \$16.

Slaughter bulls active and around 50 cents higher, spots 75 cents above Monday. Good weight, single \$24.50, 25.50 with a few at \$26.00 and a slightly less than a ton individual \$26.25. Common and medium slaughter bulls, \$20—24, with a few light weight cutters down to \$18.50.

CALVES—Vealers and slaughter calves of Good and Choice quality found reliable outlet. These ranged \$20—35.50 with top

## Eastern League

(By The Associated Press)  
The Binghamton Triplets razed the Utica Blue Sox today over two shutouts in one night. The Eastern league's second-place Trips well could boast of the pitching that beat the fourth-place Sox, 5-0 and 4-0, at Binghamton last night.

Larry Lassalle also whitewashed the Albany Senators, 3-0, with a four-hitter in the opener at Hartford, and Bert Thiel pitched the Chiefs to a 4-2 triumph in the night-cap.

League-leading Wilkes-Barre felt the shock of a 7-4 loss to the underground Miners at Scranton, but recovered in the finale, 14-4.

Elmira's Pioneers copped the first game from visiting Williamsport, 8-2, and lost the second, 7-5.

Games tonight: Albany at Hartford, Williamsport at Elmira, Wilkes-Barre at Scranton and Utica at Binghamton.

## NEW CASUALTY LIST

Washington, Aug. 17 (AP)—One Pennsylvania was reported killed, two wounded, one injured and two missing in the Department of Defense's Korean casualty list number 68 released today. Killed in action was Pfc. Joseph H. Heinbach, son of Edwin F. Heinbach, Route 1, Pine Grove.

price freely for weights under 250 lbs. Common and medium slaughter calves with weight were relatively slow \$21—28. Few cull throwouts around \$18—20.

HOGS—Receipts in this class light. Four-day marketing period total of the current week around 35% below that of corresponding week last year. Trading active with all weights in the butcher class fully 25c higher, and the practical top 50c higher. Sows unchanged. Good and choice 160-220 lb. barrows and gilts, \$24.50—25, with bulk \$24.75 up. Small package of choice top \$25.25; 220-240 lbs., \$25.50—24.25; 240-260 lbs., \$25—23.75; 260-300 lbs., \$21.75—22; 300 lbs. up, \$21.75 down, 120-140 lbs., \$20.50—21.25; 140-160 lbs., \$21.50—22.25; 160-180 lbs., \$22.75—23.75. Sows, good and choice, \$20—20.50.

Good source. Good and choice sows, 350-400 lbs., \$19.25—19.75, some under 350 lbs. to \$20; good 400-450 lbs., \$18—18.50; 450-500 lbs., \$17—17.50. Stags marked \$4 under price of same weight sows, package-fed hogs \$2 under grainfed.

SHEEP—Very little placed on sale in this class. Good and choice spring lambs scarce and quoted \$28 and better. Small packages of common and medium springers, \$22—25, with cut throwouts \$18—20. Few head of medium and good slaughter ewes, \$7—9.

## Students To Talk

At the fellowship dinner, Christian students of many nations will be present to show "What Christian Missions Have Meant to My Country."

A box lunch brought by each delegate will serve as the noon lunch in the church dining room with coffee furnished by the hostess church.

Every Women's guild in the synod is to be represented by its president and one delegate or alternates; each Girls' guild will be represented by one delegate. All ministers' wives are voting delegates. Mrs. Limbert urges all members of the various guilds, who are not delegates, to also attend the sessions.

The guild is sponsoring "Pieces for Peace." Each woman is asked to bring to the meeting cotton prints, gingham, muslin, shirting or flannel in two, three, four or five-yard

**U.S. DEMANDING UNIFIED KOREA**  
Lake Success, Aug. 18 (AP) — The Security council last night heard a U. S. demand that any Korean settlement provide for a unified independent country. Later the council adjourned until Tuesday.

Chief U. S. Delegate Warren Austin made his country's major policy statement at yesterday's public session. The meeting was preceded by a private session at which council members tried again in vain to break the procedural blockade imposed by their Russian president, Jakob A. Malik.

Austin said the primary U. N. objective in Korea must be cessation of hostilities. But "the Korean people expect that when their Getsemane has passed, they will all have the right to freedom and unity," he declared.

Austin's statement did not stipulate whether the U. S. thinks U. N. forces should go beyond the 38th parallel to conquer the North Korean invaders of South Korea. It refrained also from knuckle blows at the Russian role in North Korea and contented itself with an appeal to the Soviet Union to use its influence to end the conflict.

In a brief reply Malik made new assertions that the U. S. is trying to extend the scope of the war. He charged that proposals for a unified postwar Korea were only to hide civilian deaths from U. S. bombing.

The Soviet Union, he declared, "will not use its influence in the American way, the way Secretary of State Acheson uses it with (South Korean President) Syngman Rhee."

## MOSCOW TRIES HARD TO WIN WEST GERMANY

By DEWITT MACKENZIE

(AP Foreign Affairs Analyst)

Persistently and methodically Moscow is campaigning to win west Germany away from the western allies, join it to eastern Germany and then incorporate the reunited Reich among the satellites.

The great drawing card offered by the Reds is the promise of reunion with eastern Germany, now pictured by the Russians, but not by other observers, as a land of milk and honey under Soviet occupation.

Unity—that's a goal never absent from the average German mind. There are no more nationalistic folk in all Europe than these of the Reich.

**Cold Like Vesuvius**  
Germany's former powerful position as the military and economic keystone of continental Europe makes this aspect of the cold-war crucially important. It is so important that time may record it as one of the decisive engagements in the conflict of the ideologies.

Western Germany is the defensive barrier between the Soviet zone and the democracies. It was disclosed in Frankfurt the other day that nearly all western military men and most officials stationed there agree Europe couldn't be defended against Russia without the arming of West Germany.

That's a striking admission—by experts who not long ago swore that a guilty Germany shouldn't be allowed to rearm. It's an admission born out of common sense—and out of the potential dangers of a "cold war" which is "cold" only in the sense that Vesuvius is "cold." It could get mighty hot—and quick.

As things stand at the moment, the Soviet campaign to win west Germany is in what may be called the political stage—with the Reds carrying the ball.

**Talking Nationalism**  
The Communists are offering all sorts of attractions in their crusade. Among these are advantages supposedly to be gained through trade with eastern Germany under Red rule.

However, the east Germany politburo also is concentrating on underground work to sabotage economic recovery in the western zone. This is calculated not only to make the citizens discontented but to embarrass the western occupation powers.

The greatest drawing card of all in the Red propaganda is the promise of a reunited Germany and nationalism. That sounds queer, coming from Moscow which insists that all Communist nations owe their allegiance to Russia. It must get a wry smile from Generalissimo Tito, who got consigned to the Red doghouse because he clung to nationalism in Yugoslavia.

The big question about the Soviet campaign in western Germany is when (if at all) the Red "political" activities may be converted into physical action. That's a development which most of the world doesn't want to see, but one which the western nations are preparing to counter.

Use escarole in summer vegetable salads often. This vegetable, along with other dark green leaf vegetables is an excellent source of vitamin A. A generous serving of escarole will supply about a day's requirement of this important vitamin.

## Sunday School Lesson

By

Rev. Dr. Howard R. and Margaret C. Gold

**JOHN, PREACHER OF REPENTANCE**  
Memory selection: Bear fruits that befit repentance. Luke 3:8.

In this lesson one of the severest prerequisites of the righteous life is laid before us—repentance. Honest self-examination is required which leaves us repentant, that is "creeping"; for a root meaning of repentance is just that—a "creeping" thing. Our pride is assailed. Humility

is demanded. Only when one has made an honest study of himself and becomes regretful of his unworthiness is he prepared for citizenship in God's Kingdom. This is the essence of John the Baptist's call to repentance.

**John, the Man**  
John the Baptist is one of the dramatic men of the Bible. Born and reared in a priestly family, the son of Zachariah, he was in line for

the priesthood which was a worthy and honorable office. But he was destined for a service different from that of the traditional priesthood. In the development of God's plan for the salvation of the world the moment had arrived to establish the Kingdom. For this purpose Jesus of Nazareth was commissioned and sent. But the Divine plan called for a forerunner or herald. To that noble task John was appointed.

So in due time we find this rugged preacher of repentance at the Jordan River. He had come from his home in the rough lands west of the Dead Sea. One can easily imagine the rigid training he had received in his father's house. His mother Elizabeth was a cousin of Mary, the mother of Jesus, and both parents

were devout. His early years were spent in seclusion in the wilderness where his habits of living were very simple. In the year 26 A.D. he emerged from the wilderness, started preaching and preparing the way for the coming of the Lord.

**His Message**  
Introducing John's message is a quotation from the Prophet Isaiah who predicted a period when "all flesh shall see the salvation of God." But preliminary to that must be a thorough repentance followed by baptism. Here then was preached the fiery sermon to crowds who came from all directions to hear him. It is believed that this happened to be a sabbatical year in which the men were not required to labor in the fields. This may partly account

for the multitudes. But this was no holiday event. John knew that his hearers were as yet not spiritually prepared for the baptism he offered in God's name. Like a surgeon's knife came the words, cutting severely. To be called "offspring of vipers" was not complimentary. John knew that hypocrisy was lurking in some who were before him. Others relied on their lineage. Were they not Abraham's children?

John brushed aside all superficiality. And he set a pattern for modern preaching. Let no one rely on the goodness of parents. To have devout ancestors is good fortune and helpful but genuine religion is a personal matter. And in preparation (Please Turn to Page 8)

## Gateway to the World

Someone has said this picture should have been taken from another angle. He wanted to place the camera outside the gate and take a picture of the beautiful garden through the arbor.

But we asked for this view . . . looking from the garden to the world outside. Why?

Because a man can't spend his life lounging in the garden. To live, he has to face the world.

And to live nobly, he has to carry the beauty of his garden out into the wilderness.

In our Churches we discover the beauty of life when it is cultivated and fruitful. Then we are able to carry something of that beauty into the world.

Attend Church next Sunday! And all week you will want to share what you have gained with others.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# Sunday School Lesson

(Continued From Page 7)

tion for the blessing obtained in baptism there must be an honesty of purpose. Only upon honest people earnestly seeking Him does the favor of God descend.

"What then must we do?" John has the answer. Share what you have with them that have need. That is a comprehensive principle applying to all people. It is also basic both for the individual and for the group such as a nation. Un-

selfishness is a proof that repentance is genuine.

## Other Fruits

But there are other fruits of repentance. The tax collectors asked, "What must we do?" Be honest in your collecting; do not extort, is John's quick answer. And the principle of fair dealing applies to all business. Much can be done by unregenerate men that is within the law but not strictly honest.

The soldiers were also stirred by John's preaching and asked what they should do. In a certain sense they represent the public servant. They are directed not to extort nor accuse wrongfully. That principle applies to all holders of office. It is not difficult to apply his teachings to all areas of modern life. The real difficulty is for a man to

measure himself by God's standards and admit, with regret, his failures. Repentance never comes easily but is the only sure way of preparing oneself for the Kingdom. John's vigorous preaching had its reward. Many were converted and baptized. Jesus Christ came and was baptized not because of sinfulness but that the "law" might be fulfilled. While John languished in prison he became convinced that Jesus was the Messiah. But humbly speaking this preacher of repentance did not fare well. Because John rebuked the sinning Herod and his illegal wife he was cast into prison and finally beheaded. But the Baptist had fulfilled his great mission and at his untimely death many of his disciples transferred their allegiance to Christ, the beloved Teacher.

## Questions On The S.S. Lesson

1. From whence did John the Baptist emerge?
2. What was the purpose of his preaching?
3. Who were John's godly parents?
4. How was John related to Jesus?
5. Where did John baptize Jesus?
6. Why did Herod Antipas imprison John?

## Answers

1. The wilderness west of the Dead Sea.
2. To prepare the way of the Lord.
3. Zachariah and Elizabeth.
4. A cousin.
5. By the River Jordan.
6. Because John rebuked Herod.

# "UPSIDE DOWN" EXPERIMENT TO END TONIGHT

BY ED CREACH

New York, Aug. 18 (AP)—For 30 days, Fred Snyder has been looking at the world upside down and backward.

Tonight Fred will take off his special, binocular-like glasses. The floor will shoot up to the ceiling. The ceiling will come down to the floor. Once again Fred will see the world as other people see it. And—"I'm not sure I'll recognize it," Fred said with an uncertain laugh. "I've got pretty used to leading this upside-down existence. Things look right to me when they're upside down and backward to everybody else."

## Psychology Stunt

Fred is a friendly, 25-year-old graduate student at the University of Wichita. He undertook the upside-down experiment as part of his work in psychology. His teacher, Dr. N. H. Pronko, who came along to New York, thinks it's a pretty valuable piece of work.

"We're not trying to prove anything," Pronko said. "We're trying to learn something about how people see. Apparently it's something we have to learn. In some ways

Fred already has learned to see as well as, or better than, he did with 'normal' vision."

But it wasn't easy.

First Fred put on his strange, projecting glasses. A light metal headgear supports them and sponge rubber prevents a chafing. They make him look like a man who is going blind. People—especially New Yorkers—often murmur sympathetically when they see him.

## Even Drives Car

He couldn't do anything right at first. The food on his dinner plate seemed to be suspended in air, ready to fall in his lap—except that his lap was up where his shoulders should have been. He fell over things. They were on his right when he "saw" them on his left.

"But I learned," Fred said. "I can sort playing cards and get through other laboratory tests just about as fast as I ever could—sometimes faster."

"I've even driven a car for a few miles on a country road. In time I suppose I'd forget all about how things used to look."

By now Fred is over the butterflies in the stomach that bothered him for the first few days. Back in Wichita, his wife (they have a four-month-old daughter) is humorously reconciled to his weird appearance and topsy-turvy way of life.

Fred will take his glasses off in public on a radio-television program ("We the People," NBC, 7:30 p.m., EST). He's not sure how he feels about ending the experiment.

"For the sake of the project," he said, "I'd like to keep on for several months more. But it also will be nice to start living a normal life again back in Wichita."

Harrisburg, Aug. 18 (AP)—Nearly all farming areas in Pennsylvania have been struck by late blight, a fungus disease attacking potatoes and tomatoes, the State Agriculture department reports.

In its weekly federal-state weather and crop survey, the department said that most damage has occurred in northern areas. It added that damp and humid weather has encouraged spread of the disease.

The army worm, highly destructive to corn, wheat and other crops, gets its name from the fact it travels in huge masses from one farm to another.

# News From Littlestown

## LITTLESTOWN HI 'THUNDERBOLTS' BEGIN TRAINING

Littlestown high school's Thunderbolts, 1949 champions of the Laurel football conference, are scheduled to hold their first practice of the season this evening at 6 o'clock. Coach Clayton Evans announced today.

Evans, assisted by George Ditlow and Elmer Gall, will put charges through their paces every evening starting at 6 o'clock until more intensive training begins in about two weeks.

The Thunderbolts lost nine lettermen by graduation: Kenneth Rice, Robert Snyder, Clyde Good, Gene Hanky, Charles Brown, Lee Kerns, Paul Kump, Everett Feiser and Glenn Crouse. However, seven lettermen who are seniors have returned to the squad. They are Lefty Bish, Bill Koons, Jack Mackley, Wilmer Dutterer, Richard Marshman, Francis Gerrick and Allen Shanelbrook.

## Bigger Team

Evans said, "The new recruits advanced from the Junior high school team and the holdovers from last year's squad will fill the vacancies in the team caused by graduation."

When asked for a statement about the 1950 squad, Coach Evans said, "Our team for this year will be bigger than last year and I expect the team to give a good account of itself in all games. I know that all will try to repeat what the boys did last year."

When interrogated as to what formation he expects to use, the Thunderbolts' coach replied, "The single wing system of last year will be retained."

## Started In 1947

Football was started by Littlestown high school in 1947. The first season was very discouraging, the team winning only one game, losing four, and tying one game. The 1948 season was different for the squad won five of the seven games played. In 1949, six of the eight games played were won. Thus the record stands for three years with 12 victories, eight losses and one tied game.

The squad's conference record for the three years was 11 games won and five games lost. In 1948 the Thunderbolts were co-champions of the conference with Dallastown and in 1949, they were undefeated in conference competition.

## List Schedule

H. Dean Stover, secretary of the Littlestown high school athletic council has announced the following 1950 football schedule for the Thunderbolts: Friday, September 8, Biglerville at home, 8 p.m. (non-conference); Friday, September 15, (open); Saturday, September 23, Scotland at Scotland, 2:30 p.m. (non-conference); Friday, September 29, New Freedom at home, 8 p.m. (conference); Friday, October 6, Washington Township at home, 8 p.m. (conference); Friday, October 13, Westminster at Westminster, 8 p.m. (non-conference); Saturday, October 21, York Springs at York Springs (time not decided) (conference); Saturday, October 28,

Stewartstown at Stewartstown, 2 p.m. (conference); and Friday, November 3, Dallastown at home, 8 p.m. (conference).

## News Briefs

Pottsville, Pa., Aug. 18 (AP)—The dispute over payment of coal royalties has flared up again in Schuylkill county. Four hundred members of the Independent Miners, Truckers and Breakermen union picketed and closed the Franklin Miller breaker near Pine Grove yesterday.

Clyde Machamer, president of the union, said Miller had been paying 60 cents royalty on each ton of coal mined on the property of H. Wilson Lark of Shamokin. The union argues that only 37½ cents a ton should be paid.

Harrisburg, Aug. 18 (AP)—Keneim L. Shirk, Jr., 28-year-old Ephrata attorney, was given the edge today as the candidate likely to head the Pennsylvania federation of Young Republican clubs.

The federation, meeting at its first annual convention today and tomorrow, will elect a president to succeed Frank C. P. McGlinn, Philadelphia.

Net horsepower . . . the power you use, the power delivered at the clutch . . . is the true measuring stick of a truck's ability to haul payloads. And for net horsepower, Chevrolet heavy-duty trucks with Loadmaster engine have no equal among the five most popular standard equipped

makes in their weight class—13,000 to 16,000 lbs. G.V.W. Chevrolet heavy-duty trucks lead them all! Compare the facts! Check the serial plates of all other popular makes for proof. And remember—it's the power at the clutch that counts! Come in and let us tell you the full story of Chevrolet's truck leadership.

The world's most popular engine

More truckers use Chevrolet than any other make! And one important reason is Valve-in-Head engine design. For 38 years Chevrolet has been the largest producer of world famous Valve-in-Head engines.

Blue-Flame combustion

Chevrolet's Valve-in-Head design makes possible the smooth, even burning of the fuel—blue-flame combustion. Combustion chambers are scientifically shaped to wring more power from every drop of gasoline.

Lower cost per mile!

Chevrolet's Valve-in-Head Loadmaster engine with greater horsepower at the clutch offers important advantages to truckers. It means greater efficiency—it means bigger payloads at lower cost per mile!

## Littlestown Lions Mark Family Night

Family Night was observed by the Littlestown Lions club at the semi-monthly meeting held Thursday evening in the Christ Reformed church picnic grove, near Littlestown. Approximately 70 were in attendance. A picnic supper was served. The 23rd wedding anniversary of Mr. and Mrs. Paul Scheivert was recognized.

The club is securing Littlestown talent for the Sesquicentennial pageant, "Freedom's Frontiers," and furnishing transportation to the rehearsals. The program of the evening was in charge of the Sight Conservation and Blind committee consisting of Ralph L. Staley, Henry E. Waltman and Allen E. Weikert.

The next meeting will be held Thursday, September 7, at Banker's Littlestown restaurant in charge of the Safety committee consisting of Leon H. Gage, Sterling J. Wisotzky and John N. Sell.

The Rev. Mr. Ehrhart is a former pastor of the Cashtown Reformed church.

**St. James Reformed church,** along the Harney road, the Rev. Edward R. Hamme, pastor. Sunday school, 9 a.m.; morning worship, 10 a.m.; Young People's, 7 p.m.

Sesquicentennial "wooden nickels" are in circulation in Littlestown. They can be secured at both the Littlestown State and National banks.

## CHANGE BEAUTY CONTEST RULES

Miss Esther Crouse, who is in charge of registration for the Beauty contest to be held on Thursday evening, August 24, in connection with the Kingsdale Volunteer fire company carnival, has announced a change in plans for the contest.

Instead of having girls register at random, all the fire companies in Adams county have been asked to sponsor a girl for this contest. The girl who wins will be called "Queen of the Adams County Firemen," and she will retain that title until the carnival next year. Miss Crouse said all other registrations have been cancelled. The fire companies have been asked to select a single girl, who is a resident of Adams county, and is 15 years of age or above. Although this change of plans has been recent, Miss Crouse said that several companies have already notified her of their selections.

Each contestant will receive a gift. There will be prize money for the queen and the two runners up. A loving cup will also be awarded the queen. Further details can be secured from Miss Esther Crouse, Littlestown R. 1.

A Hammond organ has been secured for the occasion and during the evening Prof. W. Sterbinsky, Emmitsburg, will play this organ.

The master of ceremonies will be John Drew of Radio Station WGET.

## LEEMINGS RETURN

The Rev. and Mrs. Arthur Leeming, superintendent of the Hoffman orphanage, near Littlestown, returned Wednesday evening from Coleville, where they attended the summer assembly. They also visited their daughter, Miss Betty Leeming, who is employed at Camp Sagamore on the Twin Lakes, Milford, Pike county. They were gone for 10 days.

## BAND TO PLAY

Members of the Littlestown high school band are requested to report at St. John's Lutheran church picnic woods on Saturday evening promptly at 5:30 o'clock. They will play at the picnic on Saturday evening under the direction of Paul A. Harner. The weekly rehearsal of the band will be held Thursday evening at 8 o'clock in the Littlestown Junior-Senior high school cafeteria.

## HAVE PAGEANT TICKETS

Tickets for the Sesquicentennial pageant, "Freedom's Frontiers," may be secured at the Littlestown State bank. All tickets purchased will help the local contestant, Miss Loyse Waltman, who has been sponsored by the organizations of the community as their candidate for the Sesqui Queen.

## SCOUTS TO SEE GAME

Littlestown Boy Scout Troop No. 84 has been invited to be the guests of the York Baseball club tonight. They will leave their headquarters at the Littlestown State bank building tonight at 7 o'clock. At least 24 of the scouts are planning to go to York.

## IN BEAUTY CONTEST

Alpha Fire company No. 1, Littlestown, has announced that Miss Joan Shull, Littlestown, will be their contestant for the "Queen of Adams County Firemen" at the Kingsdale Fire company carnival next Thursday evening.

The VFW auxiliary drill team will meet Monday at 7:15 p.m. at the Littlestown playground. H. Dean Stover, secretary, has

FIRST OF THE FINE CARS IN VALUE

# BIG MOMENT- with a Double Impact

It's a big moment when any new car rolls up to your door and you start out fresh and spanking bright.

Think, then, what it's going to mean when that new car is a ROADMASTER like this one pictured here.

You'll swing wide the door and slide into a car that's truly fine—and looks it.

You'll put foot to treadle and touch off the might of a great, 152-horsepower Fireball straight-eight that's ready to master any road—or anything it meets there.

You'll have the silken magic of Dynaflo Drive to simplify your

driving, ease your way. A handsome flexible steering wheel, automatic windshield washers, soft Foamtex cushions, and many other items that are "extras" elsewhere are standard equipment here.

But even while you enjoy all that, you've a still deeper satisfaction enriching your pleasure.

For here you have not only a fine car, but a sound and frugal investment as well.

You have paid less per pound than any comparable car costs—and automotive men will tell you price per pound is the soundest measure there is of solid, thoroughgoing merit.

You've bought quality—top quality—all the fine things a fine car should provide. But you haven't spent a penny more than a fine car need cost.

And that can mean a lot. For instance—

Drop in on your Buick dealer: Try out a ROADMASTER. Match it, feature by feature and point by point, with any other fine car on the road.

Then get the price.

You may well find that you can get not only a new ROADMASTER for the sum you had in mind—but maybe a new fur coat for your wife as well!

## U.S. DEFENSES NOT ADEQUATE TO BAR ATTACK

By ELTON C. FAY

(AP Military Affairs Reporter)  
Washington, Aug. 18 (AP)—An enemy probably could make an aerial Pearl Harbor strike at almost any place in the United States today and get some bombs down on the target. It is not considered within the realm of possibility that the present sparsely spotted radar system—even though on a round-the-clock operating basis—would detect all approaching bombers or that existing fighter forces would destroy every one of them.

Competent military sources doubt if more than a quarter of an attacking bomber force coming in over the Polar regions could be knocked down before it crossed the northern border of the United States.

They point out that in World War

II, in areas where there was a high concentration of fighter defense and elaborate radar warning system, destruction of 10 per cent of an attacking force was considered excellent.

### Prime Targets

Air force strategists hold that the most effective way to halt air attacks on the U. S. mainland would be destruction of the bases from which the attacks are launched and of the industrial centers supporting the attacks. It is on this theory that the retaliatory strike by long range B-36s, B29s and B50s are planned. Following this same reasoning, defense officers believe that the bases for those planes, in the continental U. S. and Alaska, would be priority enemy targets, the spots for which sneak raiders would head first. Making the bases useless for launching retaliatory strikes would be of prime importance to the enemy. Any bombers he got past the radar warning system and fighter defenses could be expected to streak for air bases.

Next in importance probably would be the great industrial areas and the nerve-center of government

## STONER-SMALL REUNION HELD

George Pecher was elected president of the Stoner and Small clan at the annual reunion of the family held Sunday with 120 present. Other officers named included Ralph McDannel, vice president; Mrs. William Carey, secretary, and Mrs. Harry M. Small, treasurer.

A business meeting was conducted by the retiring president, Daniel Sanders, and the following prizes were awarded: Mother with most children, Mrs. John Keiser; most distant, Percy Sanders; oldest car, Mr. and Mrs. Raymond Bowling; youngest baby, Rosalie Ann Sanders; most recently married, Mr. and Mrs. Amos King; longest married, Mr. and Mrs. Upton Stoner; man with biggest feet, Irvin Eicholtz and Richard Small; woman with biggest hat, Teresa Murren; oldest person present, H. E. Heintzelman; person guessing number of grains of rice in a bottle, Roy Reale.

Games were in charge of a committee including Mrs. Ralph L. Stoner, Mrs. Guy Foulk, Mrs. Irvin Eicholtz and Miss Anna Cool. Among the winners were: Peanut scramble, Sandra Small, Mary Jane Bowman, Pat Riley and David Murren; peanut contests, Frances Ann Ott and Bobbie Sanders; balloon contests, Patrick Murren, Martha Bowman, Steven Murren; bubble gum, Audrey and Martha Moritz; shoe scramble, Mrs. Amos King and John Keiser;

and military direction, Washington. When asked about defenses against a surprise air attack, the air force's frank answer sums up to this:

### Too Little Radar

The nation's air defenses today are not satisfactory. The present radar stations comprising the warning net are composed of World War II equipment and are located on government sites—apparently places where the government has land on which to locate them, but not necessarily the most desirable locations. The stations are too few in number to give more than a very limited warning to certain industrial and military areas.

The number of fighter squadrons backing up the radar system, although growing, is still inadequate. At present, it is said by an expert, they could "afford only a token defense against even a moderate force operating against the United States."

## Truman Not To Be Active In Campaign

Washington, Aug. 18 (AP)—President Truman was reported today to have decided he will make no personal appearances in the congressional campaigns beyond a possible visit to his home state of Missouri. Mr. Truman told his news conference yesterday he has cancelled all speaking engagements and has no plans for the campaign activity that usually starts in September of election years.

The President added that he is very busy at his desk in the White House these days, lending the impression that he thinks the present heavy load of work brought about by the Korean fighting is not likely to be lightened soon.

Supplementing this, an administration lieutenant told a reporter the President and his advisers have agreed that it would not be good policy for Mr. Truman to go around making political speeches at this time.

## Editor's Picture Breaks The Press

Ellwood City, Pa., Aug. 18 (AP)—The Thursday edition of the Ellwood City Ledger was a little late coming off the press. And it might have been because the paper printed a picture of its editor.

The editor, Charley Cox, had said for years he didn't want his picture in the paper. Staff members laughed at that, saying he was afraid the press would break.

Well, yesterday, Cox retired after 28 years with the paper and the Ledger printed his picture. The press broke down.

umbrella game, Mrs. Harry Small; paper contest, Teresa Murren and Mae Keiser.

Named to the game committee for next year were Mae Keiser, Gladys Keiser, Marion Small and Teresa Murren.

## Hanover Thrift Society NOW CAPITAL FINANCE Corp.

"all this ... and EXTRAS, too"

... that's the theme of our business philosophy. We feel there is more to making a loan than just furnishing the money ... which you can probably arrange many places. That is why we give our EXTRAS—those important little things that make a big difference and make you glad you stopped in. They mean so much, but cost you nothing more.

**\$25 to \$300**

**LOANS + EXTRAS**

Select the amount you want. Phone first and complete the loan in ONE trip. Enjoy these EXTRAS—Personal Consideration, Friendly Attention, Respect for Your Confidence, A Sincere Desire to Make You the Loan, Better Service and Understanding.

Whether you want a cash loan, or not, do stop in and see the

## Super Kem-Tone

Completely NEW ... Completely DIFFERENT Deluxe Wall Paint!

Gorgeous NEW colors lovely pastels rich, deep tones

READY to use ... and so easy to use!

You never saw a wall paint so WASHABLE

**Guaranteed\* Washable!**

Now you can have washable walls and woodwork of breathtaking beauty with Super Kem-Tone ... as dirt repellent and water repellent as your new plastic shower curtain. It's ready to use ... in a complete range of colors! It's marvelously easy to apply! It dries in less than an hour! It's guaranteed washable or your money back!

**Kem-Tone**  
AMERICA'S TOP VALUE in thrifty home beauty

Even inks wash off easily! Scatter ink on it ... instead of soaking in it as on ordinary flat paints, it remains on the surface and is easily washed off.

Scrubbing Doesn't Harm It! Tests have shown that Super Kem-Tone will withstand repeated washing with usual household cleaners without impairing its beauty.
